

Our Mission: The mission of Midland Fair Havens is to equip single mothers and their children for self-sufficient living by addressing their educational, vocational, spiritual and emotional needs in residential and non-residential settings.

Prospective Volunteer:

Thank you for your interest in Midland Fair Havens! As a faith-based organization, we strive to affirm the beauty and worth of every one of God's creations. Each of our volunteers is a valuable part of our team and brings different skills and talents to our families. It is our desire to match our MFH volunteers to the position most specifically suited to YOU. Our ministry could not succeed in "Building a Future for Families" without you.

The next steps will be to complete an online application which includes consent to a criminal background check. Please note that if not working with residents or children, a background check is not necessary. Additionally, a request for an in-person meeting with the Family Life Coordinator or Volunteer Coordinator will be made.

Midland Fair Havens Needs You!

Midland Fair Havens serves single mothers and children, by helping them build a future for their families by offering tools that redeem the past, require self-governance in the present and restore hope for the future.

You can make an impact in the lives of all who seek solace with Midland Fair Havens. We need volunteers and partners who are willing to sacrifice their time to support a greater cause. Giving back to others can be one of the most rewarding things you have ever done! Invest in the future of children and families by lending a hand, tutoring, and partnering with Midland Fair Havens. We are an approved Midland College Legacy Scholarship agency.

Please note that background checks will be required of all volunteers interacting with children and or residents.

We'd love to connect you with a serving opportunity that fits your skills and interests.
